June 2022

Dear Parents/Guardians,

RE: A session for all parents/guardians of children coming to Bayside Comprehensive School in September 2022

Your child has visited Bayside this month and met some of their teachers. These exchanges are important in helping your children make a smooth transition from their upper primary schools to Bayside. I can assure you that we shall do everything possible to help them attain their full potential.

We would like to invite you to attend a presentation on **Thursday 30th June at 18.00**. You will also have the opportunity to ask questions. The aim of this talk is to share with you some of the information we have shared with your child and give you an idea of what Bayside stands for as a learning community.

We will also be publishing a Parents' Handbook. This will be posted on our website <http://baysideschoolgibraltar.gi>. We are happy to print a copy for you if you do not have access to the internet.

We would also be grateful if you could fill in the Student Detail Form at the following link:

The link can also be found on our website in the pastoral section.

In Bayside we place great emphasis on the importance of establishing close co-operation between parents, students and teachers. As such, please do not hesitate to contact us if you have any concerns or questions.

Yours faithfully

Mrs Gaynor Lester
Headteacher
